

## **SCHEME: “Upgradation of 1396 Govt.ITIs through Public Private Partnership(PPP)”**

**The Objective of this scheme** is to improve the employment outcomes of graduates from the vocational training system, by making design and delivery of training more demand responsive.

### **Salient features of the Scheme “Upgradation of 1396 Govt. ITIs through Public-Private-Partnership**

- For each ITI to be covered under this scheme, one Industry partner will be associated to lead process of up-gradation in the ITI. The Industry Partner will be identified by the State Government in consultation with Industry Associations.
- An IMC (Institute Management committee) will be constituted for each selected ITI.
- The IMC constituted for each ITI should be registered under relevant Societies Registration Act.
- A Memorandum of Agreement(MoA) will be signed among the Central Government, State Govt. and the Industry partner in which the terms and conditions for participating in this scheme and the Roles and Responsibilities of different parties will be set out.
- An interest free loan of up to Rs.2.5crores will be given by the central govt. directly to the IMC for up-gradation of the ITI into a Center of Excellence.
- The Administrative control of the staff of the ITI will remain with the State Government.
- The Central Govt. will constitute a National Steering Committee(NSC) with adequate representation from industry, State Governments, and other Central Departments to act as an Apex body for guiding implementation and monitoring of the Scheme. It shall also set up a National Implementation Cell(NIC) at the Central level for management, monitoring and evaluation of the Scheme.
  
- To monitor implementation of the Scheme at the State level, the State Government will set up a State Steering Committee(SSC) with adequate representation from the Industry. The SSC will be assisted by a State Implementation Cell (SIC) with sufficient staff for management, monitoring and evaluation of the Scheme at State level.
- Interest free loan of up to Rs.2.5crores will be given by the Central Govt. directly to the IMC Society on the basis of Institution Development Plan(IDP) prepared by it.
- The interest free loan will be repayable by the IMC with a moratorium of 10 years and thereafter in equal annual instalments over a period of 20 years.
- The IMC will be given financial and academic autonomy by the State Governments to manage the affairs of the ITI. The IMC will also be delegated the power to determine up to 20% of the admissions in the ITI.
